Occupational Health & Safety Specialist | Risk & Compliance Inspector

Results-driven EHS professional with 10+ years improving OSHA 29 CFR 1910/1926 compliance, reducing risk, and strengthening safety culture across industrial, construction, insurance risk control, and live-event operations. Expert in site audits, incident investigations (RCA/CAPA), JSA/JHA, contractor management, and workforce training. Trusted partner to operations, underwriting, and client teams to align safety with business goals.

CORE COMPETENCIES

OSHA Compliance • Risk Assessments • Insurance Risk Control • Site Safety Plans • Incident Investigation (RCA/CAPA) • JSA/JHA • HazCom (GHS) • LOTO • Confined Space • Fall Protection • Forklift Safety • Emergency Response/ICS • HAZWOPER • Permit to Work (Hot Work) • Contractor Safety • Training & Toolbox Talks • PSM Awareness • Ergonomics/IH Basics • NFPA 70E Awareness • Metrics & Reporting (TRIR/DART)

PROFESSIONAL EXPERIENCE

SCI Inspection — Los Angeles, CA

Insurance Risk Control Inspector | Oct 2022 – Aug 2024

- Performed residential/commercial risk surveys; assessed life-safety, fire, electrical, HVAC, and premises conditions against carrier guidelines and OSHA best practices.
- Produced detailed diagrams/reports in Loss Control 360 and RapidSketch with prioritized corrective actions and timelines.
- Communicated findings to underwriters/insureds; verified remediation and documented residual risk.

Encore Global — Los Angeles, CA

Safety & Risk Management Coordinator | Apr 2022 – Aug 2024

- Led event/site safety planning, pre-task briefings, and dynamic hazard assessments for large-scale productions.
- Monitored safe rigging, lighting, staging, and material handling; enforced LOTO, fall protection, and equipment controls.
- Coordinated with clients, production, and insurers on liability controls, incident response, and emergency preparedness.

Go-Staff — Los Angeles, CA

Construction Safety Associate | May 2022 – Feb 2023

- Conducted jobsite audits; ensured PPE, housekeeping, and fall protection compliance with OSHA 1926 standards.
- Supported foremen with JSAs, daily tailgates, and corrective action tracking.

Group FIO — Houston, TX

Marketing Specialist | Apr 2017 – Feb 2, 2023

- Led marketing/sales coordination for a technology firm; produced video/infomercial content and managed social media campaigns supporting business development.

The Dow Chemical Company — Baton Rouge, LA / Freeport, TX

EHS Technician – Site Logistics | Aug 2006 – Apr 2017

- Supported EHS compliance and contractor safety across two OSHA VPP sites; implemented procedures, signage, and permit systems.
- Conducted incident investigations with root-cause analysis; supported MOC protocols and corrective action verification.
- Delivered site orientations and focused safety training for employees and contractors.
- Achieved 1,000,000+ safe work hours in 15 months through proactive auditing and accountability.
